

January 2017

Happy New Year DI Teams and Team Managers!

Hopefully you were working on your DI Team Challenges prior to the holiday. If not, don't worry, there is still time. So get started now!

The Destination Imagination Yukon Tournament is **March 4**, mark your calendars.

DI Yukon and Yukon Education will be planning and organizing for the tournament and will need to know each team's team challenge pick by the end of January. If you have already picked a team challenge, please let us know

- your team name
- the challenge your team is doing
- names of team members
- age group/level of your team

Send information to [lynn.williams@gov.yk.ca](mailto:lynn.williams@gov.yk.ca)

We will be offering workshops for teams to attend during January and February. Keep an eye out for notices regarding these workshops.

Updates can also be found on our website: [www.diyukon.com](http://www.diyukon.com)

We are looking forward to seeing your unique solutions to the DI Challenges this year!

Once again, if you need any assistance or any information please contact us.

Johanne Koser, Yukon Affiliate Director, [koser@yknet.ca](mailto:koser@yknet.ca)
